

**THIS IS THE FLAG FOR THE HEROES
THAT HAVE PAID THE ULTIMATE PRICE,
THE HEROES THAT HAVE GONE BEFORE,
AND THE HEROES OF THE NEW WAR!**

*Red is the color of the blood shed by our Armed Forces & Special Services
who, because of being Americans, were put in harm's way.*

They paid the ultimate price for our freedom, both at home and abroad.

*We dedicate this flag to represent our sorrow and respect for those who
died for our freedom. This flag reflects our commitment to help and
support those who have been left behind:*

Mothers & Daughters, Fathers & Sons, Wives & Husbands,

Brothers & Sisters...

KIA HONOR FLAG Mission & Free Flag Programs

We Honor & Remember Our Nations Heroes for the ultimate sacrifice they have made for our country, our freedom, and freedom abroad.

It is our Mission to sponsor a KIA Honor Flag package for every Gold Star Family of a Fallen American Hero.

KIA Emblematic Products are worn and displayed in honor of our fallen heroes. They show your support to KIA Families, Veterans, and all of the Service men & Women in harms way.

KIA Honor Flags are offered free of charge to Veteran and American Legion Posts, museums, or similar organizations to honor and remember all Americans Killed In Action "KIA" or that have Died Of Wounds "DOW" resulting from war related injuries.

To receive a free KIA Honor Flag or Package, or to assist a Gold Star Family in receiving this gift just click the "KIA Honor Packages" tab on the website home page. The package you choose will indicate the steps needed to complete the ordering process.

- Choose KIA-1342 to receive a KIA "Some Gave All" Honor Flag for your post.**
- Choose KIA-342 if you are a Gold Star Family receiving your first free flag package, or would like to present this package to a Gold Star Family.**
- Choose KIA-101 for a Gold Star Family honor & remember ceremony package.**

**Often times during a memorial or support service the KIA Honor Flag is displayed at a signing table; this allows attendees to personalize the flag - creating a cherished heirloom for the family. The inner oval area located in the center of the flag is the Honor Ground for the honorees name, and military designations; no signature should be placed in this area unless authorized by the family.
(See KIA Honor Flag signing protocol for details).**

Please contact us for more information, sponsorship participation, or to become a KIA Honor Flag Mission Representative.

It is wonderful to know you are willing to be a part of our support system. This shows your devotion to the families of our fallen and honors the heroes that have sacrificed so much for our country and our freedom.

KIA Honor Flag Signing Protocol

*For those that have gone before - we honor
For those who serve - we serve
For those left behind - we support*

Following is an illustration of how a KIA Honor Flag Mission Representative may sign a flag to be given to a post or post member. The post member awarded the flag presents the flag to their post and reviews flag signing protocol. The post then completes the flag signing with other post members and family (if desired). The flag is then placed onto the veteran's post wall in honor and remembrance of their fallen heroes.

When a KIA Honor Flag signing is conducted it is always best to have a guard presiding over the flag to assure it may not be desecrated in any way.

A KIA Honor Flag may be signed by Military, Gold Star Family Members and Civilians attending an honor ceremony of a fallen American Military Hero.

A sharpie indelible ink pen is recommended for signing.

- 1) Dedication area for veterans post or similar organization.
- 2) Message of Appreciation & KIA Honor Representative signature.
- 3) Honor Ground; Do not sign or mark inner oval.
- 4) Honor Ground Gold Silk Screen upgrade;
 - A) KIA Honor Flag Gold Star Touch-Of-Class. Add a Fallen Serviceperson's name and designation information, choose item # KIA-750 for this service (example on following page).
 - B) Honor all Americans Killed In Action with the KIA "Some Gave All" Flag, choose item # KIA-1342 for this option (example on this page).
